

EDULA VINEETH KUMAR REDDY

B.Tech • Computer Science & Engineering (Computing and Data Science)
Prakasam, Andhra Pradesh | 6281382595 | vineethreddy082@gmail.com
LinkedIn: Vineeth Reddy Edula | GitHub: vineethreddy-1459

PROFILE

Second-year B.Tech student in Computing and Data Science with hands-on experience in Python, C, HTML, Git/GitHub, and AI tools. Interested in Artificial Intelligence, Data Science, and software development, with a focus on building practical applications and strengthening problem-solving skills.

EDUCATION

Sai University | B.Tech, Computer Science & Engineering (Computing and Data Science)

2nd Year • Expected Graduation: 2029 • CGPA: 7.5/10 • 12th: 91% • 10th: 73.8%

TECHNICAL SKILLS

Programming	C, Python
Web	HTML, JavaScript (Learning)
AI & CS	Generative AI, AI Tools, Data Structures & Algorithms (Learning)
Tools	Git, GitHub, VS Code

PROJECTS

NEXUS AI — AI-Powered University Student Assistant

Python • HTML • JavaScript • Generative AI | **Completed**

- Developed an AI-powered student assistant focused on academic information and common university-related tasks.
- Built an interactive AI interface for student queries and practical academic assistance.
- Designed a user-friendly web experience and integrated AI functionality into the application.

AI Interview Coach

Python • JavaScript • AI/NLP • FastAPI | **Planned**

- Planned platform for role-specific interview questions, AI feedback, and performance tracking.

Student Performance Analytics

Python • Pandas • NumPy • Scikit-learn | **Planned**

- Planned analytics application for exploring marks, attendance, performance trends, and ML-based insights.

RELEVANT COURSEWORK

C Programming • Python Programming • Data Structures & Algorithms • Discrete Mathematics • Web Development

LANGUAGES

English • Telugu
